

Houston Yacht Club Turkey Day Regatta 2017 November 17-19, 2017

KO Sailing is pleased to announce the opportunity to experience the RS Feva at the beginning of the winter season here in Texas!

The RS Feva schedule is hot in Florida this winter leading up to the [2018 World Championships](#) in Clearwater, FL in April, also the Feva is making it's first debut at the [Orange Bowl International Youth Regatta](#) in December.

For the Turkey Day Regatta at Houston Yacht Club, we have six RS Fevas available on a first-come-first-served basis at a discounted charter rate. We have also secured top-level coaching for the entire fleet by two-time World Champion Coach, [Ryan Minth](#).

Come experience the fun and convenience of a professionally run, turn-key "regatta in-a-box" program while getting a head start on your leaning curve of the RS Feva with all-around-the-course coaching!

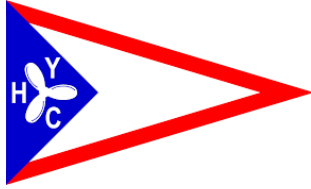

The RS Feva is the no-trapeze, asymmetrical kite, high performance entry boat into the Olympic Pathway.

Just bring your sailing notebook, a PFD, and be ready to have fun and learn!

Schedule:
